I've added some additional comments to both notes and slides attached here and also added them to the L drive folder.

Have a great weekend everyone!

Hi all,

Happy Friday. Francesca, the discussion/talking notes and meeting slides are very well done! I added some suggested edits/comments to both. Also added Angie's 'condemned' edit to the Santayana quote.

The talk notes and annual meeting slides are saved on this L drive file path:

**Ex. 6 Personal Privacy (PP)**

Thanks!

Sorry, one more change, the Santayana quote should use the word "condemned" instead of "doomed."

Lovely! Very stirring! Attached are my comments/edits on the remarks and the slides.

On the slides, anything in red is something I changed, and I also used the comment function to make global comments. I moved some slides around to improve flow, as well, which I tried to note in the comments.

Overall I think this talk will knock it out of the park!
